

# Become a BOP Alliance Solution Partner

The BOP Alliance unites leading Odoo Gold Partners worldwide to deliver top Odoo solutions through strong partners. We aim to have the best Odoo integrator per country in our Alliance. Our mission: help partners grow alongside their customers.

## Your benefits as a Solution Partner

### International Collaboration

Work with top Odoo partners worldwide and access a global customer base, opening new business opportunities across different markets.

### Business Growth & Visibility

Increase your visibility and attractiveness within the Odoo ecosystem while expanding your business globally.

### Marketing & Presentation

Deliver a 25-minute pitch presentation at the BOP Executive Meeting and be featured as a solution partner on the website.

### Media Presence

Benefit from one blog post per year, a feature in the BOP Magazine, and the use of the BOP logo for communication.

### Event Exhibitor Opportunities

Present your business at BOP events with a dedicated exhibitor table and the opportunity to deliver a short sales pitch to attendees.

### Exclusivity & Premium Benefits

Enjoy solution exclusivity, priority in marketing content, and premium visibility on the website and in the BOP Magazine.

## Stronger together

In the BOP Alliance, we believe in the strength of community. We work closely together and support one another to ensure our customers receive the best possible solutions. Our approach is based on autonomy and self-direction, promoting decentralized decision-making and independent teams. Think global. Act local.
